

CHIGGER SHOOT RULES

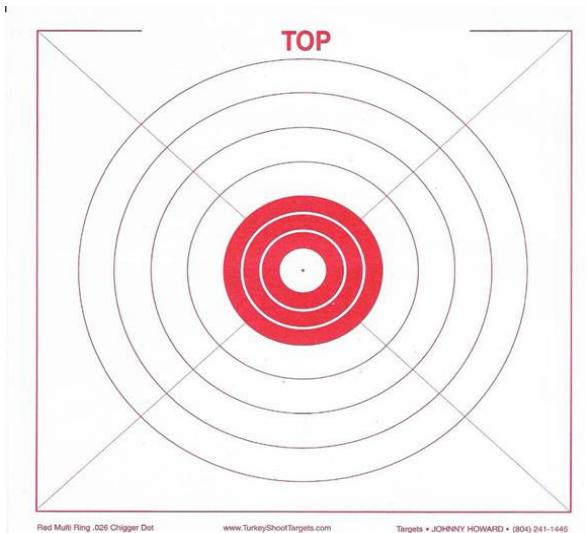

The chigger shoot is for 12 gauge shotgun **ONLY**; the cost is \$5 dollars per round; we will be using a 12 gauge shell with a NUMBER #9 shot. The winner is the person whose shot knocks out the **RED** dot in the center of the target.

Here are the rules:

1. Everyone shoots a 12 gauge #9 shot. If no one knocks out the **RED** dot, everyone shoots again.
2. If there is a tie, those shooters will shoot again.
3. If there is still a tie after the second shot, there will be a third shot to determine the winner. If no one knocks out the **RED** dot on the third shot, the winner will be the shooter closest to the **RED** dot.
4. Tabs on targets will be rolled back to check for **RED DOT**, if Red Dot is there, **IT IS NOT A WINNER.**
5. The winner gets 50% of the pot.

Here is what the target looks like and look just to the right of the Chigger Red Dot target for the **WINNING SHOT** target!!
