All information provided above is solely for the use of American Legion Post 48 and will not be shared, sold, etc. to anyone else.

You must supply your own ground pad if you intend to use one. Security Name is an 8-to-12-character name which you create (no vulgar words) that will be used at the end of the competition to display all scores in the competition. You will know your score and position in the competition by your Security Name. This is not required.
