**Welcome to another session of the American Legion Turkey Shoot.**

## **“TURKEY SHOOT”**

The American Legion will be holding its **Annual TURKEY SHOOT** starting October 5th 2024. We start signing up shooters at 08:00am and will start shooting at 08:30am. We will be shooting 12, 20 and 410-gauge shotguns. You can use screw in chokes or drop in chokes, but the overall length of the barrel cannot exceed 32” in length. Open sites and red dot **“ONLY”** on the shotgun; **NO SCOPES**. We have 16 shooting positions, so there is lots of room.

We will be holding a turkey shoot every Saturday in October, November and December, the last Saturday Shoot will be the 21st of December 2024. We will also have a turkey shoot on **THANKGIVING** morning 28 Nov. The cost will be \$4.00 a shot for the normal turkey shoot and \$5.00 for the Chigger Shoot.
